

# New Brush Collection Zone Program

## Starting August 1

In our efforts to continuously improve service levels, we have developed a new zonal approach for brush collection. Our goal is to have this service provided in a more predictable manner for residents in a way that is more efficient for staff.

The Town has been divided into four zones as shown in the map to the right. For reference purposes, the middle of the map where all the zones align is Valley Boulevard (321). Generally, residents in each zone can expect to have their curbside brush collected in the respective full week of each month. For example, Zone 1 will be collected in the first week of the month, Zone 2 in the second week of the month, etc. Please plan to have your brush out as early in your designated week as possible so all brush is not put out toward the end of your respective collection week and we can fully complete each zone in that zone's designated week.

The new zone based brush collection schedule will begin with the first week of August: zone 1 will be collected the week of August 1-5, zone 2 will be collected August 8-12, zone 3 will be collected August 15-19, and zone 4 will be collected August 22-26. In September, zone 1 will start collection the first full week of the month on September 5, zone 2 will start the week of September 12, etc.

For a full list of streets sorted alphabetically showing the scheduled weeks of collection, please visit [www.townofblowingrock.com](http://www.townofblowingrock.com) and there will be a link at the top of the website. If you have any questions, please contact Town Hall at (828) 295-5200.

For more information on your street's Brush, Solid Waste, and Recycling pickup dates, please continue to the subsequent list - arranged alphabetically by street name.
